**REMODEL VPD ORDER FORM**

Please use this grid to sketch out your floor plan in black pen. Required are the measurements for the **length** and **width** of the room or building along with the **ceiling height** for each floor (if applicable). If there are any building restrictions - such as property line setbacks, height restrictions, etc. - please include this information as well and indicate on the sketch where the room or building will be enlarged (if applicable). This sketch can then be emailed to **orders@edobavirtual.com** or faxed to **+1 503-914-0310**

Additional items required with this order:

- **Design Style** – Modern / Contemporary / Traditional / Rustic / Mediterranean– to be used in the design concept
- **Photo of the property and any view out of windows or doors** (please be sure to send high quality photos)
- **Reference photos of the existing room** (if the VPD is to be created to show a remodeled interior room)
